

FIRST TIME at a LATIN ENERGY DANCE SOCIAL? WELCOME!

Here are some tips to help you enjoy the night to the fullest.

We start with a class at 8:45PM. **You DON'T need a partner to join!** We rotate very often and everyone gets a chance to dance. When you rotate, introduce yourself with name and next time, you will know everyone in the class! This is a great way to meet people during the class so when social dancing starts, you may approach those people you met and feel more comfortable.

If you'd like to dance, avoid sitting down at a table since people will think you are resting and will not bother you. If you wish to dance, stand around the dance floor. This indicates you are looking for someone to dance with. At the social, everyone asks everyone to dance. Not just men ask women, women also ask men and it's OK! It is a friendly environment and you'll find you make friends very quickly.

We also have what we call **"TAXI DANCERS"** who you will see wearing a **GLOW in the dark NECKLACE**. These dancers are there to make you feel welcome and to dance with everyone so you may ask a taxi dancer to dance and he or she will never say no! They are volunteers who love to dance with everyone.

Also feel free to ask our DJ to play your favorite song anytime.

Sometimes we do a LINE DANCE to get everyone involved. It's called the ELECTRIC SLIDE! Very easy & lots of fun so don't be shy, get up and join us when you hear DANZKUDURO SONG.

You're welcome to approach the organizer VANESA STAY and introduce yourself. She loves to meet new comers.

We hope you have a great time at our dance social. The Latin Energy Studio is like a family so we offer a friendly, safe and fun environment to learn & to social dance.

See you on the dance floor! Cheers, The LATIN ENERGY TEAM
